

The American Association of Immunologists 2008 Advanced Course in Immunology

July 19-24, 2008

The University of Minnesota, Minneapolis, MN
Course Director: Marc K. Jenkins, Ph.D., Professor and Associate Director, Center for Immunology, University of Minnesota

Course Co-Director: Kristin A. Hogquist, Ph.D., Professor, Department of Laboratory Medicine and Pathology, Center for Immunology, University of Minnesota

Don't miss the AAI Advanced Course in Immunology! Register Now! Limited Space Available!

This intensive annual course is designed for serious students of immunology. Leading experts will present recent advances in understanding the biology of the immune system and its role in health and disease. This course is directed toward advanced trainees and scientists who wish to expand or update their understanding of the field. This is not an introductory course and attendees will need to have a firm understanding of the principles of immunology. Registration Deadline: **June 30, 2008.**

Minority Access to Research Careers (MARC) travel awards* are available to US Citizens and permanent residents.

Faculty

- **Marc K. Jenkins**, University of Minnesota
Center for Immunology
Anatomy of the Immune Response
- **Gabriel Nunez**, University of Michigan
Cancer Center
Innate Immunity
- **Andrea J. Tenner**, University of California, Irvine
The Complement Cascade: Activation, Regulation, and Potential Targets for Intervention
- **Andrea J. Sant**, University of Rochester
Medical Center
MHC-restricted Antigen Presentation to T Cells
- **A. Karolina Palucka**, Baylor Institute of Biomedical Studies
Dendritic Cells
- **Barry P. Sleckman**, Washington University School of Medicine
The Generation and Modification of Lymphocyte Antigen Receptor Genes
- **Michael A. Farrar**, University of Minnesota Center for Immunology
B Cell Development
- **Kristin A. Hogquist**, University of Minnesota Center for Immunology
T Cell Development
- **Wayne M. Yokoyama**, Washington University School of Medicine
NK Cells in Innate Immune Defense
- **Stephen C. Jameson**, University of Minnesota Center for Immunology
Lymphocyte Memory
- **Christopher A. Hunter**, University of Pennsylvania School of Veterinary Medicine
Immune Response to Pathogens
- **Daniel L. Mueller**, University of Minnesota Center for Immunology
T Cell Peripheral Tolerance/Autoimmunity
- **Mark J. Shlomchik**, Yale University School of Medicine
B Cells and Autoimmunity
- **Pamela L. Schwartzberg**, NHGRI, NIH
Lymphocyte Antigen Receptor Signal Transduction
- **Yoji Shimizu**, University of Minnesota Cancer Center and Center for Immunology
Lymphocyte Trafficking
- **Stephen J. McSorley**, University of Minnesota Center for Immunology
Mucosal Immunity
- **Ross Kedl**, University of Colorado
Tumor Immunology
- **Elizabeth Ingulli**, University of California, San Diego
Transplant Immunology

To register, visit www.aai.org/Adv_Course/2008/Program.htm. Contact meetings@aai.org or 301-634-7178 for assistance. *Note: Overseas applicants are advised to apply early for visas.*

* Financial support for underrepresented minority scientists is available through the FASEB MARC Program: <http://marc.faseb.org/>.
