Funding Confirmation Form Instructions

The Funding Confirmation Form (FCF) is intended to provide AAI with accurate documentation of your research funding portfolio for the indicated fiscal year. This information is used to determine your financial eligibility for several AAI programs. Please review the following instructions before you fill out the FCF to ensure that you provide correct and complete funding information. **Any application submitted with an incomplete FCF will not be considered for award.**

A filled-in sample of the “**Research Support**” portion of the FCF has been provided below for your reference:

Total				\$245,338

Instructions:

- Under “Grant type/number,” please list the names or numbers of all mechanisms of support individually, including federal, state or private grants; departmental support; start-up funds; and other support. You must also list grants on which you are a co-investigator and grants that are under no-cost extension. Please list both funding mechanisms that have allocations for direct costs (see *Ex 1-4, 6* in the above sample) and those that do not provide money for direct costs (see *Ex 5* in the above sample).
- Under “Funding organization,” write the name of the funding body that provided you with each funding mechanism. The names of well-known organizations, including government institutions and large non-profits may be abbreviated (see *Ex 1-3*), but please write out the names of less well-known funding bodies (see *Ex 5*).
- Under “Funding period,” please write the total duration of the award from the start date to the end date using the format MM/DD/YY–MM/DD/YY (see *Ex 1-6*).
- Under “Role,” please indicate your designated title for each funding mechanism. Common roles include PI, co-PI, mentor, coordinator, or adviser.
- Under “Direct costs for 7/1/19-6/30/20” please indicate the amount of money allocated for direct costs from each funding mechanism beginning 7/1/19 and ending 6/30/20. Please list all grants for 7/1/19-6/30/20, even if “0” dollars in funding remain.
 - For grants operating under no-cost extension, please specify the amount of funds remaining.
 - For grants on which you are a co-PI, please indicate only the amount of funds that are allocated for your specific research use. Do not provide the total amount of funds allocated to the group.
 - Please exclude funds dedicated to PI salary** (see *Ex 5*) for each funding mechanism listed.
 - Grants which provide salary support for laboratory personnel, including AAI Careers in Immunology Fellowships (see *Ex 6*), should be included.
- The FCF form must be signed by the department chair or dean to certify that the applicant’s funding status is accurate. If you are the department chair or dean, you must have your supervisor sign the form.
