Fellowships

| | | | |
|---|--------------------|---|----------------------------------|
| Careers in Immunology Fellowships | March 15 | Provide member PIs with one year of salary support for a graduate student or postdoctoral fellow in their labs. | Up to \$59,580 in salary support |
| Intersect Fellowships for Computational Scientists and Immunologists | September 1 | Support immunology researchers and computational scientists to train in each other's discipline. PIs receive one year of salary support for a postdoctoral fellow. | Up to \$59,580 in salary support |
| Fellowships for Career Reentry | September 1 | Provide one year of salary support to postdoctoral fellows who have taken a leave of absence of one year or more due to family-related issues, medical absences, or military obligations. | Up to \$59,580 in salary support |

Career Awards

| | | | |
|---|------------|---|---|
| Excellence in Mentoring Award | TBA | Recognizes a senior scientist who has significantly influenced the professional development and careers of a new generation. | Up to \$2,000 in travel reimbursement to attend the AAI annual meeting |
| Steinman Award for Human Immunology Research | TBA | Recognizes an individual who has made significant contributions to the understanding of immune processes underlying human disease pathogenesis, prevention, or therapy. The recipient will present his or her research in an award lecture at the AAI annual meeting. | \$5,000 award and up to \$2,000 in travel reimbursement to attend the annual meeting |
| BioLegend Herzenberg Award | TBA | Recognizes an individual who has made exemplary research contributions to the field of B cell biology. The recipient will present his or her research in an award lecture at the AAI annual meeting. | \$5,000 award and up to \$2,000 in travel reimbursement to attend the annual meeting |
| Thermo Fisher Meritorious Career Award | TBA | Recognizes a mid-career scientist for outstanding research contributions to the field of immunology. The recipient will present his or her research in an award lecture at the AAI annual meeting. | \$10,000 award and up to \$2,000 in travel reimbursement to attend the annual meeting |
| BD Biosciences Investigator Award | TBA | Recognizes an early-career investigator who has made outstanding contributions to the field of immunology. The recipient will present his or her research in an award lecture at the AAI annual meeting. | \$5,000 award and up to \$2,000 in travel reimbursement to attend the annual meeting |

The American Association of Immunologists annually honors the research achievements and professional promise of more than 1,000 talented scientists through fellowships, career awards, and meeting and travel awards. Join AAI or renew your membership at www.aai.org/Membership to become eligible for award opportunities.

Awards and Grants for the AAI Annual Meeting

| Award Name | Nominations/ Application Deadline | Description | Funding Amount |
|---|-----------------------------------|---|---|
| Laboratory Travel Grants | January 28 | Assist mid-career and senior investigators in attending the AAI annual meeting. Each grant will also support meeting registration for a lab member of the recipient's selection. | Up to two complimentary meeting registrations at the member early rate |
| Early Career Faculty Travel Grants | January 28 | Assist young investigators (assistant professor or equivalent) in attending the AAI annual meeting. | Complimentary meeting registration at the member early rate |
| Undergraduate Faculty Travel Grants | January 28 | Assist undergraduate faculty in attending the AAI annual meeting. Each grant will also support meeting registration for an undergraduate student of the recipient's selection. | Up to two complimentary meeting registrations at the member early rate |
| Trainee Abstract Awards | January 28 | Recognize trainee members whose first-author abstracts submitted to the AAI annual meeting are selected for presentation in block symposia. | Up to \$435 award will vary by membership category |
| Thermo Fisher Trainee Achievement Awards | January 28 | Recognize up to six trainees annually for career promise and presentation of an outstanding first-author abstract selected for oral presentation in a block symposium at the AAI annual meeting. | \$1,000 award and complimentary meeting registration at the member early rate |
| Minority Scientist Travel Awards | January 28 | Assist eligible underrepresented minority scientists, including trainees and early-career faculty members, in attending the AAI annual meeting. | Complimentary meeting registration at the member early rate |
| Pfizer-Showell Travel Award | January 28 | Recognizes the professional promise of an early-career investigator (assistant professor or equivalent) whose first-author abstract is selected for oral presentation at a block symposium at the AAI annual meeting. | Complimentary meeting registration at the member early rate |
| Chambers-Thermo Fisher Scientific Memorial Award | January 28 | Intended to advance the career of an early-career scientist (assistant professor or equivalent) who attends the AAI annual meeting and presents an outstanding abstract in the area of cancer biology. | \$1,000 award |
